Alaska Food Policy Council

May 18, 12pm to 5pm and May 19, 8am to 12pm

Anchorage, Alaska

You are invited to participate in a diverse group of Alaskans interested in forming the Alaska Food Policy Council.

We would like your help in examining **how our food system relates to our economy, our security, and our health**. The Alaska Food Policy Council will provide an opportunity to connect the wide variety of food system stakeholders and begin to develop comprehensive solutions toward **building a stronger Alaskan food system**.

The first face-to-face meeting will be held May 18 & 19 in Anchorage with Mark Winne of the Community Food Security Coalition (<http://foodsecurity.org/>) facilitating. Our goal will be to learn about Food Policy Councils, consult with experts such as yourself to establish the lay of the land in Alaska, and to begin to set the direction our Food Policy Council will take.

Seating is limited! For more information or to RSVP, please contact Diane Peck at 907-269-8447 or diane.peck@alaska.gov by May 1.
