- Each person purchases a "passport" for \$40 and can visit any or all of the restaurants involved and receive each "small plate" the chef is featuring

- Only 1 \_ weeks to advertise, so PLEASE spread the word
- I will send a separate attachment with the flyer and PSA

SPONSORSHIP

- I attached the updated sponsorship form
- Please review and get back to me if you are signed up to speak to a business and have not, or if you would like to speak to any businesses that have not been approached yet
- We have a goal of \$4,000 for sponsorship and some of us have done VERY well, but we still have a LONG way to get to this goal, so please at least attempt to speak to at least 3 businesses

VENDOR FORMS

- Christi has been working on the vendor forms and they are close to being done, once they are I will send out an attachment
- If anyone else has an opinion of price for vendors, please let us know. We are discussing dropping the food booth vendors down to \$50 from \$100...thoughts???
- We decided that vendors that wish to be outside must provide their own tent/shelter
- We are still looking for tents for our vendor and beer garden/extra shelter since we were approved to use the back of the Centennial Building area (Amyee has an 18x27 tent and Colette has 3 10x10 tents, if anyone knows of others, please let me know)

SCHEDULE

- I have attached the schedule as of now, if anyone has ideas that are not included, please let me know ASAP because this will be added to the website shortly

- We decided that the Friday night banquet should have light music during the meal rather than clearing tables and trying to have music following

#### COOKBOOK FUNDRAISER

- Linda O is putting together a cookbook to sell as a fundraiser
- She needs recipes and/or stories regarding the recipes ASAP, no later than May 24th, please e-mail them to me or contact her at: 7-6985 or at work: 7-5825

#### OTHER

- We would like the coast guard to be involved with the following ideas: rescue demos, a possible vendor booth regarding safe boating, fly over for parade, or any other ideas. If anyone knows someone in the Wives Assoc. please let me know so we can contact them. Linda Wilson is in touch with someone over there right?
- The educational committee has made headway with setting up a few workshops for the Sat event including canning fish through UAF
- We have decided on a logo and I will send it out as soon as it is finished. We will open it to the public and vote on one for future years, but we needed one ASAP for this year
