Foods Network**

***Give the Gift of  
Fruit for Your  
Community's  
Future***

## ***Imagine...***

*Fruit trees growing throughout Sitka in Public green spaces, along our streets, and in our yards.*

## ***Imagine...***

*Picking cherries for a summer pie.*

## ***Imagine...***

*A child picking her first apple on a crisp October day and her surprise at its tart sweetness.*

Planting a fruit tree is a long-term investment in your community and its natural environment. Planting such a tree ensures that Sitka has beautiful parks and neighborhoods and also supplements healthy, locally produced food.

You can help the Sitka Fruit Tree Initiative plant 200 trees this year by purchasing a full, half, or quarter share of a Sitka fruit tree in the name of a friend or family member this holiday season. The person you name will receive a quarter, half, or full apple keepsake; a certificate documenting the gift; and the satisfaction of making the community a more beautiful place that is working towards local food security and community sustainability.

Yes, I would like to give the gift of fruit trees for Sitka's future.

Please give the gift of

- 1 full share of a fruit tree to be planted in 2011 (\$100)
- 1/2 share of a fruit tree to be planted in 2011 (\$50)
- 1/4 share of a fruit tree to be planted in 2011 (\$25)
- fruit bearing bush to be planted 2011 (\$25)

This gift will be given to:
