

Let's Grow Sitka Gardening Expo Event!
Join us Sunday March 11th at 3:15 pm at ANB Hall

for the FREE presentation:
**"New Vegetable Varieties, Small Fruits, and
Ornamentals for SE Alaska "**

Juneau Master Gardener and Landscape Designer David Lendrum

Guest Speaker David Lendrum's presentation provides insight into some new and unusual varieties that do well in our climate including some spicy oriental vegetables, such as Chinese celery and a cross between parsley and celery, called parcelery.

David is the Landscape Superintendent for the University of Alaska Southeast, the SE representative on the statewide invasive species organization (SNIPM), and has just finished his two year term as president of the Southeast Alaska Master Gardener Association.
